FUN FLY EVENT

Starting this **Monday June 8** and every Monday* through September, come try your hand at our **Monday Night Fun Fly!**

We have gathered a prize pool of over \$250.00 worth of merchandise to be drawn at our annual awards night November 7.

The first event, **June 8**, will be **SPOT LANDING**. Starting at **6:30 PM**.

There will be a SPOT marked on the field. Once a pilot calls for a landing, the spot where the plane first touches the ground will be marked and measured from the circle. Closest to the SPOT is declared the winner. Each Pilot will be allowed 3 attempts.

Each week we will have 1 fun fly event designed for novice as well as seasoned pilots. No pressure, just come and try your hand at these challenges. Any airplane type can participate, electric, nitro, prop or ducted fan. This is a club members event with no entry fee. Regular open flying will continue during the event.

Each participant will receive 1 entry per event. 1st and 2nd will receive additional entries. Draw will be for winners pick at the prize pool. Additional drawings will continue until prize pool has been awarded. Details
